Blu-Ray Ltd understand the importance of quality, reliability and efficiency, which has aided us in becoming one of the fastest growing organisations in our industry.

Our aim is to provide our clients with the latest method of prints to suit your artwork, including Offset (Litho), Silk Screen, Colour Thermal & Digital printing.

Through close contact with our existing customers, we have learnt that working with you every step of the way, helps create a superior product that we can all be proud of.

#### PRINT & PACKAGING FOR CD & DVD

Our team are always ready to design and produce weird and wonderful new projects for packaging to make your product stand out from the rest.

Blu-Ray Ltd offers a wide range of packaging for discs e.g. printed card wallets, poly wallets, printed Digi Packs, DVD Amaray Cases, clam shells.

There are many different types of packaging our company offers so please contact our sales team to discuss different options to suit your needs.

#### HD WORLD

High Definition (HD) is the latest technology to bring clearer and sharper images to your footage.

By using us we could provide HD Mastering, Authoring and Manufacturing to suit your requirements.

#### 24 HOUR TURNAROUNDS

Blu-Ray Ltd offers you a professional first class service by printing and duplicating onto recordable discs.

This allows 24 hour turnarounds using the latest technology such as colour thermal, litho and screen printing to match your specific artwork requirements.

#### INSTALLATION INSTRUCTIONS

The Quote Disc is designed for your convenience to place a link icon onto your desktop so that easy access to our online quote form is available. Internet access is required.

This CD will auto run on PCs. If this does not occur, you will need to explore the rom drive when the CD is inserted, then double click on setup.exe

The CD is compatible in all Mac versions. It will not auto run so please open the CD manually and install the link.

If you are experiencing difficulties then please contact us on 020 8351 1120

#### VARIOUS TAPE TRANSFERS & DUPLICATION

Blu-Ray Ltd offers broadcast ready transfers to and from various professional tape formats both Standard & High Definition.

#### CD/DVD AUTHORIZING

From 3D motion menu screens to subtitling on DVDs, Blu-Ray Ltd are advanced in getting the professional finish your company requires.
