## CRACK MUSIC VOL 1

Nu Breed with another one!!!  
Respect to everybody supporting the  
movement since Live@home and  
Food 4 Thought vol.1-2.

As you can see were keeping it moving in the  
right way, shout out to every artist that has  
contributed so far Don Desperados, Mr T12bs,  
Mr Chung [Studio69], Young Dicano, Apple, Sway,  
Swiss, Tony Danger and theres 2 many more I aint  
mentionedbut they know that it strictly power  
moves from here on in.

Hold tight Trini [Wade  
Austin], Rob Lockhart  
and the rest of the LUV  
production team putting  
the work in behind the  
scenes, Look out for the  
Nu Breed album entitled  
'Once upon a time in London'  
to be released Late 2007  
and many other releases  
through out the year .

Where reppin UK street musik 2 the full,  
so keep supporting the movement. Peace

CD and booklet design for Nu Breed  
production. Used Illustrator, Photoshop,  
photography, and Quark 7.
